## Davenport Home Past Projects

This waterfront renovation in Larchmont, NY included a refresh of all formal rooms along with new roof and windows. Extensive landscaping was done including a new pool and accessory building.

Should you be considering a kitchen or bath remodel, an addition, or a new deck, we can help. We welcome special projects both large and small, and would be happy to estimate and execute your project from planning to completion.

Davenport Home provides an effortless solution for all of your renovation needs.

Let Davenport Home handle all of the details.

We look forward to understanding how we can be of service to you.
